Re: K260BP (FX), Erving, Texas (FAC# 14442); Request for Special  
Temporary Authority.

Dear Madam Secretary:

On the behalf of **Penfold Communications, Inc.**, ("Penfold"), the NCE Licensee of K260BP (FX), Erving, Texas (FAC# 14442) ("Station"), this is to request Special Temporary Authority ("STA") to operate at reduced power. Specifically, the Station antenna was damaged by an ice storm, and as a result of the ice damage, the Station can only make 50% of authorized power. Penfold is working with its insurance carrier and hopes to order a replacement antenna in the near future. Under the circumstances, we respectfully request 180 days in which to operate at reduced power.

Pursuant to FCC *Public Notice*, DA 22-29, (released January 11, 2022) (the "Public Notice") this instant STA Request is being submitted by e-mail to [audiofillings@fcc.gov](mailto:audiofillings@fcc.gov).

Should there be any questions regarding this STA Request, please feel free to contact this Office.

Very truly yours

John C. Trent
